

## BAKED CHILLED / FROZEN RANGE

Our secret is in the finest, freshest, natural ingredients, avoiding preservatives and artificial additives.

Proper Cornish makes traditional Cornish pasties and savoury rolls that are just packed with natural ingredients and flavours. We also baked them to perfection and blast chill or freeze them for exceptional selling convenience for either the catering or retail trade.

Only in Cornwall can the perfect proper pasty be made and only Cornish folk know the true secret.

We do not compromise on quality.
